MESSAGE FROM THE MANAGER

Mike Wallner

This has been a great summer so far and the golf course is in great shape. Carl, Will, and the crew have done an incredible job keeping it that way. As we head into to August, which is usually the hottest month of the summer, please make sure that you keep yourself hydrated while on the course. Our new water coolers are working great, so don't pass them up while on the course.

We have the Club Championship coming up, so please get signed up. This is a great tournament and the winner gets the use of a front row parking spot for the next year. Current champs, Mike Merrick, Sara Seed, Bruce Kelso, and Rick Wilson, don't want to give them up I'm sure.

We crowned the Players Cup champs in July. Mens Division champions were Cole Taylor and Bobby Harvey and Senior Division were Jim Hopper and Scott Peters. Congrats!

We also had a record number for the Ladies Players cup, which was won again this year by Samantha Parkhill and Judy Tennant. Congrats to them on the victory!

We hope that all of our members and guests have a great August and we certainly look forward to seeing you this month. Have a great month. Go Illini!!!
